

## The COVID 19 Supervisor

### Must:

- Ensure that an attendance register is maintained at the venue entrance and that all persons entering the venue add their names and contact details.
- Place Covid-19 posters as provided by public health
- If unwell at event, notify event organiser and leave event
- Record information as mentioned within the COVID plan
- Hand hygiene as per the PHS poster information
- Provide Sanitising stations at official, loading, warmup and spectator areas. Each area must have a pump sanitiser, wipe cloths and bins to dispose rubbish in.
- Not enter the warmup area
- Work to ensure 1.5m spacing can be accommodated for all persons present
- Maintain social distancing measures as per PHS poster (eg, 1.5m separation)
- Refrain from social gathering post event or session
