**Best and Fairest Voting Instructions**

- **One set of votes** to be decided by a **voting panel** representing a **minimum of two of the Referees and/or the Technical Controller** who officiate the session. Each voter has equal voting rights, with the **Centre Referee** being responsible for convening the voting panel, and for recording the voting preferences.
- The voting panel should consider potential nominees for the best and fairest during the session.
- The voting panel should meet together at the **immediate conclusion of the session**, and be ready to nominate lifters for consideration by the other Referees.
- The voting panel should not discuss voting preferences outside the voting panel, but are allowed to **request additional information** from the Announcer (with regard to possible records, personal best attempts within the competition, and qualification standards etc).
- Following discussion, the Referees should allocate votes to **three lifters**, in the order of **3 votes** being the **highest**, and **1 vote** being the **lowest**.
- When the voting panel have made their decision, the Centre Referee will write the lifters names in the appropriate places on the voting slip, and **all members of the voting panel** shall **print their full name** to confirm their agreement.

**Voting Criteria:**

The voting panel should make impartial judgements based on the following criteria to the best of their capability while considering votes:

- General competition etiquette and good behaviour,
- Positive interactions with other lifters and officials,
- Number of attempts successfully lifted,
- State, and/or national records broken,
- Personal bests,
- Qualifying standards
